Rules of the Board of the Council of Engineers  
On Training and Knowledge Testing in relation to Provision of Readiness  
to Practice the Regulated Engineering Profession (No. 3),  
B.E. 2554 (A.D. 2011)

Whereas it is expedient to revise the Rules of the Board of the Council of Engineers on Training and Knowledge Testing in relation to Provision of Readiness to Practice the Regulated Engineering Profession;

By virtue of Section 33 (3) of the Engineer Act, B.E. 2542 (A.D. 1999), in combination with Clause 7 of the Regulations of the Council of Engineers on Issuance of License for Practicing the Regulated Engineering Profession at the Associate Engineer Level, B.E. 2549 (A.D. 2006), Clause 8 of the Regulations of the Council of Engineers on Issuance of License for Practicing the Regulated Engineering Profession at the Adjunct Engineer Level, B.E. 2543 (A.D. 2000), and Resolution of the 33-11/2011 Meeting of the Board of the Council of Engineers on 11 July 2011, the Board of the Council of Engineers issues these Rules as follows:

Clause 1. These Rules shall be called “Rules of the Board of the Council of Engineers on Training and Knowledge Testing in relation to Provision of Readiness to Practice the Regulated Engineering Profession (No. 3), B.E. 2554 (A.D. 2011).”

Clause 2. These Rules shall come into force from the day following the date of its publication in the Government Gazette onwards.

Clause 3. The following provision shall be added as Clause 14/1 of the Rules of the Board of the Council of Engineers on Training and Knowledge Testing in relation to Provision of Readiness to Practice the Regulated Engineering Profession, B.E. 2553 (A.D. 2010):

“Clause 14/1. In the case where there is a necessity, which makes it impossible for any person to attend the training under Clause 13 or the knowledge testing under Clause 14 on the scheduled date, such person may file a petition and submit supporting documents to postpone his/ her participation in the training or knowledge testing, as the case may be. Such petition shall be filed to Council of Engineers Office not less than seven days before the scheduled date of the training or knowledge testing, unless there is a force majeure.

The Subcommittee or the Secretary-General of the Council of Engineers shall consider the petition request under the first paragraph and immediately notify the result to the petitioner.”
